

FY2001 Lucas County Juvenile Accountability Incentive Grant Program Allocation Funding Summary
(Project period end date: 12/31/02)

Lucas County Juvenile Accountability Program Lucas County Juvenile Court Allocation - \$310,549.00	Juvenile Court will continue controlling secure detention population levels in the Juvenile Detention Center through the Community Detention Initiative by identifying an effective behavioral management system within secure detention and implementing a training plan for all detention staff. The Court will also develop and expand internal levels of graduated sanctions used within the probation department for detaining youth due to non-violent technical violations. Units of local government contributing funds to this program include Lucas County, Oregon City, Maumee City, Sylvania City, Sylvania Township and the City of Toledo.
Toledo Police JAIBG 2001 Toledo Police Department Allocation - \$ 70,000.00	This project supports and enhances the protective factors that instill youth with healthy beliefs and influence appropriate behaviors by supporting and supplementing the existing Police Athletic League (PAL) chapter. Supporting activities will include providing licensed teachers to tutor and mentor participants and provide additional assistance to existing PAL program components. The project's goal is to raise the overall academic achievement of youth by one letter grade.
